This brand new file features Optometrists. These professionals are primary health care providers who examine, diagnose, treat and manage diseases and disorders of the visual system, the eye and associated structures as well as diagnose related systemic conditions.

Optometrists prescribe and/or provide eyeglasses, contact lenses, low vision aids and vision therapy. They also do testing to determine the patient's ability to focus and coordinate the eye, judge depth perception, and see colors accurately.

They are excellent prospects for medical equipment, CME, business services, and much more.

There are 47,797 records available with license numbers!
