These professionals plan, manage and coordinate risk and insurance programs. Licensed Insurance Sales Agents sell one or more types of insurance, such as property and casualty, life, health, disability and long-term care.

Property and casualty insurance agents sell policies that protect individuals and businesses from financial loss resulting from automobile accidents, fire, theft, storms, and other events that can damage property. For businesses, property and casualty insurance can also cover injured workers' compensation, product liability claims, or medical malpractice claims.
